Smart Serviceability in These

Women's Frocks

that are fashioned on the lines
of much higher-cost models

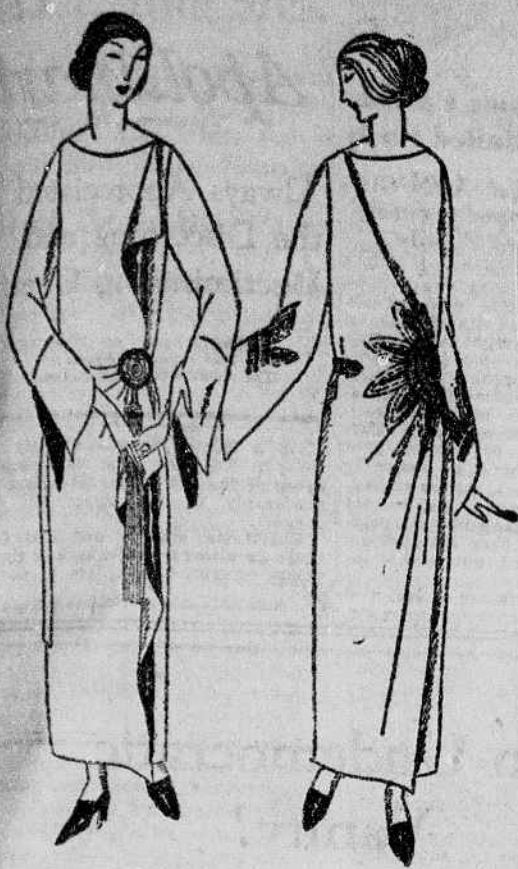

Friday and Saturday

at 25.00

Fine Poiret twill develops this fastidious model that clings to the mode of a slight drape at one side with an attractive flange from the shoulder to the hem, lined in a contrasting color. Another model utilizes the smartness of the hand-embroidered side drapery for its modishness and adds a hand-braided belt. These two models are to be had in navy, brown and black. Sizes 36 to 46.

The group of crepe de Chine frocks consists of individual models formerly priced at \$5.00 and \$9.75. They are delightfully designed in a host of smart models—any one of which makes an agreeable addition to the Fall wardrobe.

"Hats Babette"

—designed for women and
misses with small heads
or bobbed hair. Shown

Exclusively by Saks & Company.

They possess a certain French air, a charming youthfulness that is probably due to the fact that they are made to be worn with bobbed hair.

They embody the newest ideas in millinery—smart satins with ostrich, ornaments or fancies—embroidered faille silks in delicate shades—gay velvets in poke and mushroom effects—chic little hoods and turbans that serve to frame the face becomingly. These are but hints of the fascinating collection of Hats Babette
